

TSCM Worksheet

- Prepare one sheet for each address / building we will be visiting.
- Send your completed Worksheet to us for a written estimate.

For mobile device spyware detection or data extraction use our Mobile Forensics Worksheet.

Services:	TSCM
What is the square footage of the areas to be inspected? An educated guess is fine. We will exact measure for you once on-site. Only include the square footage of the actual rooms, and/or cubicles requiring a full inspection. Do not include halls or open space around cubicles. If possible, please send us a floor map showing the areas to be inspected.	_____ s/f
Number of communications items in the areas to be inspected? Include: telephones, speakerphones, fax machines, video-teleconferencing units, etc.	_____
Number of audio-visual equipment racks?	_____
Number of vehicles to be inspected? (cars, aircraft, yachts) Describe in Notes section.	_____
Inspection Frequency (Multiple re-inspections are discounted.)	<input type="checkbox"/> Once <input type="checkbox"/> Biannually <input type="checkbox"/> Quarterly <input type="checkbox"/> Other
Preferred appointment date? (Used to estimate travel expenses.)	____ / ____ / ____

Let us know your concerns and goals.

Use this Worksheet to describe your project.

We will suggest a cost-effective strategy.

Our Estimate will even include travel expenses.
